These Terms and Conditions govern the subscription to the online Courses and Community provided by LBL Consultancy, a company registered in the Netherlands with registered office in Haarlem, hereinafter referred to as "Company".

At LBL Consultancy, we are committed to providing valuable learning experiences through our online courses and fostering a supportive community environment. To ensure clarity and transparency, we have outlined our policies regarding the purchase of online courses and access to our online community:

1. Duration of Access:

Upon purchase, you will receive "Lifetime access" to the online course and community.

"Lifetime access" refers to the duration of availability of the course content as long as the course is offered by LBL Consultancy. You will have access to the course content for as long as LBL Consultancy continues to make the course available online.

2. Course Structure:

Upon enrollment and payment, you will gain immediate access to all online videos, materials, and resources associated with the course.

3. Access to Online Community:

In addition to the course content, you will gain direct access to our online community. This platform serves as a valuable resource for discussion, collaboration, and support among fellow learners.

4. Community Guidelines:

While participating in our online community, we expect all members to adhere to our community rules. LBL Consultancy reserves the right to limit or revoke access to the community in cases of rule violation, ensuring a positive and respectful environment for all members.

5. Money-Back Guarantee:

No Refunds: Due to the nature of our course and the immediate access provided to all content, we do not offer a money-back guarantee or any form of refund once you have enrolled. All sales are final.

Exception Handling: In exceptional circumstances, such as accidental duplicate purchases, please contact our customer support team within 48 hours of enrollment. Such cases will be reviewed on a case-by-case basis, and any refunds or credits issued will be at the sole discretion of LBL Consultancy.

Satisfaction Commitment: While we do not offer refunds, we are committed to providing high-quality educational content and ensuring your satisfaction. If you encounter any issues or have feedback, please reach out to our support team, and we will do our best to address your concerns.

6. No Guarantee of Availability:

While LBL Consultancy aims to provide lifetime access, it does not guarantee that the course will be available indefinitely. Technological changes, business decisions, or other unforeseen circumstances may necessitate the termination of the course.

LBL Consultancy reserves the right to discontinue, terminate, or remove the course at any time, for any reason, without prior notice. In the event of such discontinuation, termination, or removal, LBL Consultancy shall not be liable for any losses or damages, including but not limited to loss of access to course content.

By purchase you acknowledge that you have read, understood, and agreed to these terms.
